

# AYDIN KHAN

MECHATRONICS & AUTOMATION - VIT CHENNAI

aydin.khan2025@vitstudent.ac.in | +91 7200092054 | Chennai, IN

---

## PROFILE

Mechatronics & Automation student working across mechanical design, electronics and software. The interest isn't any single discipline - it's the intersections: where a controller meets a mechanism, where code moves something physical.

## EDUCATION

### B.Tech - Mechatronics & Automation

Vellore Institute of Technology, Chennai - CGPA 7.0/10.0, expected June 2029

### National Public School, Chennai

Grade 10 GPA 8.6/10.0 - Grade 12 GPA 7.5/10.0 - SAT 1190

## PROJECTS

### Automatic Medical Box - BUILT

First-year multidisciplinary project: an automated medical box with alarms and an app for notifying caretakers. ESP32-driven switch logic, enclosure mechanics and a Python-side notification flow.

### Python E-Commerce Website - BUILT

Grade 12 project covering the full shop flow: register, login, logout, add-to-cart, checkout, and a password database underneath.

### Premier League Football Analytics - IN PROGRESS

A football analytics environment under construction: pitch data, player nodes and match statistics through a DATA -> PROCESS -> ANALYZE -> VISUALIZE pipeline.

### AI Exoplanet Detection - STARTING SOON

Planned research project: detecting exoplanet candidates from telescope light curves through signal processing and an AI model.

### AR Arduino Interactive Tutor - IN DEVELOPMENT

Unity + AR Foundation app: point a phone at an Arduino UNO for spatial pinout overlays, an interactive 3D component catalog and animated signal waveforms.

## SKILLS

Python (intermediate) - scripts, project logic, tooling

SolidWorks (basic) - part & assembly modelling

Java (basic) - structured problem solving

## CURRENTLY LEARNING

JavaScript - web / interactive software (this site is the lesson)

Unity / AR Foundation - spatial apps, feeding the AR Arduino project

Korean - currently learning

## LEADERSHIP & ACTIVITIES

| Event Manager - Futsal, school organising committee (2024)

| TiE Entrepreneur Program - IIT Madras Research Park (2024)

| Tamil Nadu Clusters - statewide football, team vice captain, ranked 8 of 160 schools (2024)

| SANMUN - verbal mention (2024)

| Chairman's Cup, Bangalore - interschool football, 3rd place (2023)
